Kingdom Business Home Study Program

Remote Business Training & Accountability for “Believers in Business”

1. **(12) 60-minute Audio Trainings** – These training calls are intensive...purposely loaded with Scripture and practical marketing strategies to grow your business! On these calls you will learn:

- **Month 1: How to Develop a “Kingdom Business Mindset”**
- **Month 2: How to Become a “Master Marketer”**
- **Month 3: How to Broadcast Your Brand**
- **Month 4: How to *UPshift* - Build Bigger, Faster & with More Power!**
- **Month 5: How to Tap into the Power of 2+**
- **Month 6: How to Receive Major Promotion**

These audios cover how to craft your business message and how to uncover and feed your flock. I will share my systems for creating “seeds” and sharing them with your ideal clients. You will learn how to use different marketing mediums to reach those God has called you to! We’ll also specifically deal with mindset – remove all the personal limitations you have. We’ll stretch your mind and prepare you for massive impact, for massive growth! These trainings are intensive and are designed to give you action steps to implement each month.

2. **The KBMG Manual, with notes, exercises along with the mp3 downloads of each training call**

- You will receive all of the training materials - audios included - so you can go back and review the material whenever and however you choose. You’ll want to listen to these audios over and over again - they are loaded with information to encourage and equip you for massive success.

3. **3 “Q&A Days”** - As you begin to implement all you learn from the training audios, you will have questions and want some detailed, personal coaching. The Q&A days are perfect for one-on-one calls! You can email or call me with questions and I will spend the *entire* day addressing your challenges, answering your questions and helping you to overcome any mental blocks and obstacles you might have that are hindering you in your business. Because I am a certified life and business coach, this is an opportunity for you to get business and life coaching without the per-hour costs.

4. **Unlimited Email Coaching** - Each coaching audio is packed with content and the exercises are challenging and demanding, so it’s going to be imperative that you get your questions answered! Also, you’ll need encouragement and inspiration along the way. You have unlimited access to me online via email! I will answer all of your questions, help you deal with your fears and limiting beliefs - or review your marketing materials as you prepare them. This has been most valuable to my study clients!
